Coats for Colorado

The fifth graders will be overseeing this special service project during the month of October here at school. We will be collecting only new and gently used warm winter coats for men, women, and children.

- *Coats for Colorado* has distributed gently used and new coats to individuals and families in need since 1982.
- More than 2,000,000 coats have been distributed since 1982.

Please bring your coats to the fifth grade classroom during the month of October. Thank you for loving on God's people in this special way.

Parent Volunteer Hours

Thank you so much for the many volunteer hours logged so far this school year! As a reminder, PLEASE note that on your tracking sheet there are two columns so that you may keep track of your running total throughout the year. This will be a great help as we record the hours at the end of each quarter. We are so grateful for your contribution and involvement!

What We Learned: *Jesus knows what it's like to be hurt by a friend.* In Matthew 26:14-16, Jesus is betrayed by one of his close friends, Judas. Because Jesus went through that pain, we realized that He understands what we're going through when our friends are mean to us or hurt our feelings. He's been through it, too, and He is there to comfort us. Even when our friends hurt us, we know that it will be okay. We can turn to our loving friend Jesus. He is sad with us and feels our hurt. He will be our friend through every tough time.

Talk About: 1. When was a time that you were hurt by a friend? **2.** How can Jesus comfort you when you're hurting? **3.** What do you love about having Jesus as a friend?

Level 56 is a group designed just for 5th and 6th graders to help guide them to the next level of faith and life. Come on Sunday mornings at 9:45-10:25 a.m. in the ChildWatch Room! Every week at Level 56, the lesson with which we're

grappling has a Grapple Dare--a special challenge for 5th and 6th graders to complete throughout the week. Check it out below!

Grapple Dare: Jesus isn't a liar, a lunatic, or a loser. He's Lord! What difference does that make in your life? The Grapple Dare this week is one about which you'll have to think. We dare you to think of an area of your life where you're not letting Jesus be Lord and allowing Him to be in charge of your life. Maybe you're not being very kind to someone at school, or maybe you're doing something wrong that nobody but Jesus knows about. We dare you to let Jesus be the Lord of that area of your life.

There's the Dare before we see you next Sunday!

Book Fair Decorating Help Needed

I am looking for a few people to help with decorating the library to get ready for the book fair.

The theme this fall is country western/cowboy. Scholastic provides many ideas with which we can work, so you don't need to come up with concepts or ideas on your own.

I am also looking for donations, such as cowboy hats, boots, etc. to use as decorations. If you would like to donate an item, I am usually in the library after drop off in the morning, or you can leave your items in the library with a sticky note including your name, kid's name, grade/teacher, so I can return your items after the fair.

Let me know if you would like to help with decorations. Danna [720-560-5435](tel:720-560-5435) or dannamauz@gmail.com.
