

Transfiguration – LOVE ON

If someone who really didn't know much about Jesus asked you about who Jesus is, what would you say?

How do your friends and others you know describe Jesus?

Reread the sermon text: Mark 8:27-29, and Mark 9:2-9.

Who does Peter say he is?

Who do the people say he is?

Who does God say he is? (Mark 9:7)

God calls us to live "the way of the cross." What is "the way of the cross?" (Mark 8:34,35). What would it look like today? What other "ways" that are not "of the cross" are available to us?

Is this generation more or less sinful and adulterous than any previous? Why or why not? (Mark 8:38)

What is the difference between transfigured and transformed? Google it if need be. What happens in baptism? Is it anything like either of these?

Scan these passages. Where do you see the power of God at work? Make a list. How do you see God's at work in the world today.

Pray that God's spirit would work through you to boldly proclaim who Jesus is in your 100' circle of influence.
