

## Athletics and Activities

Bethlehem Lutheran School, both the K-8 and the ELC, offers a wide variety of dynamic athletics and activities throughout the school year for students of all ages. At each level, age appropriate pursuits allow our Bethlehem Bobcats the opportunity to meet curriculum standards and learning goals in a fun and engaging way outside of the classroom, while using their God given talents and enhancing their Christian education.

### **Sports:**

The fee to play sports at Bethlehem is \$75 for the first sport, \$50 for the second sport and \$25 for the third sport. These fees go toward the athletic budget, which is used to pay the coaches, purchase equipment and to pay tournament entry fees.

Cheerleading has a fee of \$50, which is used for uniforms and gear, as well as to pay the coaches.

The 1st - 4th grade basketball team is partnered with Faith Christian Academy and the fee varies from year to year, based on the number of players, entry fees and the cost of equipment. The fee is divided, with 75% going to Faith Christian for use of their facilities and the other 25% going toward uniforms and portable hoops.

Volleyball - August through October (5th - 8th grade girls)

Soccer - August through October (5th - 8th grade co-ed)

Basketball - November through February (1st - 8th grade, girls & boys teams)

Cheerleading - November through February (7th - 8th grade girls)

Track and Field - March through May (5th - 8th grade co-ed)

Contact our Athletic Director for more information.
