

PTL Mission Statement

The Bethlehem Lutheran PTL is organized for the purpose of supporting the children, school, and families of Bethlehem Lutheran School through volunteer opportunities; promoting communication, fun and fellowship between school and home through educational, developmental, and social experiences; and to provide financial support to the school through fundraising efforts. Everything we do is to glorify God in word and deed so that the families of Bethlehem can experience the fullness of life in Christ.

ptl@bethlehedenver.com

PTL Board Officers:

President:

Vice President: Dana Pfrangle

Secretary: Jessica Deutmeyer

Treasurer: Karen Thorngren

Social Events/Fundraising: Dawn Forkner

Dining Night Outs -

Each month PTL picks a dining location for our Bethlehem families to enjoy a meal and socialize with other families, teachers and staff outside of school. A percentage of the money earned during the evening is donated back to our school to help provide wishes that are above and beyond such as: classroom dollars, teacher appreciation week, the Back to School Night Ice Cream Social, special guest presentations and much more! Dining Nights are generally on the 1st Tuesday or Wednesday of the month. Monthly information about these events is posted in the PawPrints, around the school and on Facebook, in addition a flyer is sent home with students.

Color Cycle: program is currently paused due to COVID19

We are excited to tell you about a very special program PTL is participating in with Crayola. It's called Crayola ColorCycle, an amazing program devised to turn used markers into energy! Collected markers will be sent to a facility where they will be converted into clean fuel. This fuel can be used to power vehicles, heat homes, cook meals and more! Please help support our efforts by sending your kids in with any used markers you may have around the house, even non-Crayola brands. A drop-off container is located by the PTL bulletin board for your child to deposit the markers. Remember, don't throw out that used marker—*ColorCycle it!*
